

ALL CHANGE AT LEES DENTAL

NEW PREMISES

We are very excited to announce that we have moved into our brand new, purpose built, practice. We are still in the same great location, only just at the top of the drive nearer to the road. All our usual contact details will remain the same. We knew that the lease on the existing building would not be renewed and jumped at the chance of the developers offer of building us a new practice. It is great having a new building where we have been able to design the layout exactly as we need it to be. Although the practice has moved we still have the same great staff so you will see familiar faces.

Lees Dental Company

A Great Smile Deal at Lees Dental Company

Until the end of November you can get a routine Examination and Cleaning with John Coleman at the special price of \$120.

Also John is offering Tooth Whitening for just \$400!

To take advantage of these great offers give us a call today.

Welcome to John Coleman and Adam Wratislav

We are pleased to announce that Dr John Coleman and Dr Adam Wratislav have joined the Practice. Both dentists will be working along side Simon Lees, with John working two days a week and Adam three days a week. Both dentists offer a

full range of dental treatments with all the latest technologies and advancements in dentistry, including tooth whitening and tooth coloured fillings. Both dentists can be contacted by our regular contact details. .

New Digital Xray Facilities

We are pleased to be able to offer a new service at this Practice with the installation of our new full face xray machine. This machine takes a digital image of the whole mouth, including the teeth, jaws, sinuses etc. This allows for the diagnosis of a wide range of dental and medical conditions. As the system is digital it also lowers the dose of radiation needed.

FREE PARKING

There is ample free parking available at the Practice. However, if the spaces are full there are extra spaces at the Dawson Street private car park next to the Govett Quillam Building. Please only park in the designated Lees Dental Company Spaces.

About US

Simon and Lesley moved to New Plymouth 8 years ago from the UK where they ran their own successful practice for 17 years. They love living in New Plymouth, with all the city has to offer. They have a small Lifestyle block a short distance from town where they keep White Galloway cows, pigs, and chickens. They also have a crazy cat called Ariki and an even crazier dog called Milo. Poor Milo is having some trouble with a back leg at present and has recently had surgery for a ruptured Cruciate ligament. A long recovery period is

ongoing. Got to our website for regular progress updates!
